

Erratum

Erratum to the article
“The regulation from guaiacyl to syringyl lignin in the
differentiating xylem of *Robinia pseudoacacia*”
[C. R. Biologies 327 (2004) 791–797]

Kazuchika Yamauchi, Kazuhiko Fukushima

Graduate School of Bioagricultural Sciences, Nagoya University, Nagoya 464-8601, Japan

The publisher would like to apologize for the following errors in the article printing.

In p. 794, §3 ‘Results and discussion’: in the second sentence, the reference number [17] should have appeared as [16].

In p. 797, § ‘References’: the reference numbers of were incorrectly printed, and should have appeared like in the following list.
