

Erratum

Erratum to the article: *Periodic oscillations of the genomic nucleotide sequences disclose major differences in the way of constructing homologous proteins from different procaryotic species*
[C. R. Biologies 330 (2007) 13–32]

Piotr P. Slonimski

Centre de génétique moléculaire du CNRS & université Pierre-et-Marie-Curie (Paris-6), 91190 Gif-sur-Yvette, France
