Erratum

Erratum to the article: Adhesion at polymer–polymer interfaces: a rigidity percolation approach by Richard P. Wool [C. R. Chimie 9 (2006) 25–44]

The Publisher

Some misprints slipped into the article by Richard P. Wool, entitled *Adhesion at polymer–polymer interfaces: a rigidity percolation approach*, C. R. Chimie 9 (2006) 25–44:

- page 34, Eq. (4.1) reads:
  $[p - p_c] \sim \{\Sigma L/X - [\Sigma L/X]_c\}$;
- page 36, Eq. (4.13) reads: $\xi = b \, |p - p_c|^{-\nu}$;
- page 36, Eq. (4.17) reads:
  $X_c = b \, (1 - p_c)/\{p_c^\nu \, [1 - T/T_g]^\nu\}$
- page 41, Eq. (6.3) reads: $G_{1c} \sim R_{gA}\{\Sigma - \Sigma_c\}$.

We apologize to the author and to our readers for these mistakes.
