**Objective of the journal:** the *Comptes rendus Mathématique* are open to all scientists, whatever their title or nationality. An article published in the *Comptes rendus* is the first report of an important discovery or a significant result. It benefits from a fast publication schedule once it has been definitively accepted, which makes it possible to establish priority.

**Editorial director:** Jean Dercourt.

**Editors-in-chief:** Jean-Michel Bony, Philippe G. Ciarlet, Marc Yor.
