Objective of the journal: the *Comptes rendus Mécanique* are open to all scientists, whatever their position or nationality. Through a policy of rapid publication of original work, the journal is a highly advantageous means of making advances in fundamental research known to the international scientific community. Such communication is achieved in the form of original notes which describe briefly a significant result. Longer *Concise Review Papers* are also to be published.

Editorial director: Jean Dercourt.

Editors-in-chief: É. Sanchez-Palencia.

Associate editors: S. Candel, Ph.G. Ciarlet, P. Huerre, H. Petryk, P. Ponte Castañeda, J. Salençon, E. Van der Giessen, M.G. Velarde, A. Zaoui.

Scientific secretary: Richard Kerner.

Editorial board:

Author enquiries

For enquiries relating to the submission of articles (including electronic submission where available) please visit Elsevier's Author Gateway at <http://authors.elsevier.com>. The Author Gateway also provides the facility to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as detailed artwork guidelines, copyright information, frequently asked questions and more. Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided after registration of an article for publication.

This journal is part of **ContentsDirect**, the *free* alerting service which sends tables of contents by e-mail for Elsevier books and journals. You can register for **ContentsDirect** online at: <http://contentsdirect.elsevier.com>
