Objective of the journal: the *Comptes rendus Physique* are open to all scientists, whatever their title or nationality. An article published in the *Comptes rendus* is the first report of an important discovery or a significant result. It benefits from a fast publication schedule once it has been definitively accepted, which makes it possible to establish priority.

Editorial director: Jean Dercourt.

Editors-in-Chief: G. Laval, J. Villain (Physics), F. Combes (Astrophysics).
