This note corrects the article “What is measured when measuring a thermoelectric coefficient?” published online in *Comptes Rendus Physique* on 23 March 2022, Volume 23, Special Issue S2, 2022, <https://doi.org/10.5802/crphys.100>.

In page 3: The following sentence

“Positive when the response is electron-like, or negative when it is hole-like.”

is to be replaced with

“Negative when the response is electron-like, or positive when it is hole-like.”
